

Eight dead and 286 injured in this season's gridiron record, to date.

The papers are still complimenting Mr. W. R. Howell on his first work at Murray as commonwealth's attorney. He seems to have given satisfaction even to his opponents and the grand jury returned 76 indictments.

The Dutch privy council has sat in State and decided that Queen Wilhelmina should not ride a wheel and the young queen has been compelled to quit riding. Such recreation was held to be incompatible with the dignity of the throne.

The Paducah Register has opened up its batteries on Capt. Stone and is evidently intent on keeping him out of the gubernatorial race. As the nominating convention is still eighteen months off, the Register seems to be in undue haste to make warfare on the Captain.

The first installment of the minutes of the "Arkansas Hunt," by the Secretary, Hon. Austin Peay, appears on another page of today's Kentuckian. The report will be given as a continued story until the record is complete. It makes a very interesting story of camp life, told in a most entertaining manner.

President Jones, of Hobart College, Buffalo, N. Y., in an interview declares that football is not brutal, but admits that the rules ought to be modified. This in the face of the fact that eight people have been killed and nearly three hundred injured so far this season, while "playing" on the gridiron.

Gov. Bradley will appoint his daughter to christen the new battleship Kentucky, to be launched in January. Miss Christine Bradley, the only daughter of the Governor, is a handsome brunette, who will be eighteen during the coming month. She is at school at Washington College, Washington, D. C. She is proficient in music, and a most charming young woman.

It is now said that District Attorney W. M. Smith will probably be retained in office another year, or the government will have to retain him as special counsel in the McKnight case, of Louisville; the Youtsey case, of Covington; the Hart embezzlement case, of Owensboro; and the Lexington election case. This would be more expensive to the Government than extending Mr. Smith's term of office. Those who want this \$6,000 berth are Messrs. R. D. Hill, George Denny, Jr., John Henry Wilson, Geo. W. Jolly and Maj. A. T. Wood.

Augusta, Ga., will have a city election to-day that is red-hot with three candidates for mayor in the field. One, Daniel E. Kerr, has employed 1,175 negroes for election day at the rate of \$2 each. He has hired them to build a short extension of the Georgia Railroad to the city gas works, but the necessity of such a road was never before appreciated, and it is very doubtful that it will ever be built. All of the negroes are to be given the privilege of voting before they go to work on the new enterprise.

The Exposition business in the United States is in danger of being overdone. We have already had Chicago in 1893, San Francisco in 1894, Atlanta in 1895, Augusta in 1896 and Nashville in 1897. Omaha comes in with a show in 1898 and in 1899 Niagara Falls will have a Pan-American Exposition on La Salle Island. The proposed exposition is to be held on an exceedingly picturesque site on the Niagara river a short distance from the falls, and with railroad facilities that can handle the large attendance without hindrance. The financial arrangements for the Exposition have already been completed and the work will be commenced immediately. There will be eight large buildings devoted to the eight groups into which the exhibits will be divided. The classification will follow the same lines as at the Paris Exposition of 1889 and the World's Fair of 1893. It is intended to be purely an American exposition.

The fusion ticket in Cincinnati had five Republicans on it who were elected to the Legislature. These members have met and agreed to go into the Republican caucus, which gives the Republicans 80 members on joint ballot. Heretofore the figures have been 75 Republicans to 70 Democrats, the five fusionists being classed as Democrats. This gives Hanna such a large majority that nothing short of a wholesale revolt can endanger his election. Since Hannaism is to be an issue in politics for the next three years, it is better for the Democrats to keep Hanna where he is.

Blizzard in Wisconsin.
Madison, Wis., Nov. 26.—The first snow storm of the season came last night in the form of a blizzard which lasted eight hours. The wind is still blowing a gale, the snow has ceased falling. The storm knocked out the telephone and the electric companies. Street car traffic was interrupted from 7 p. m. until 10 a. m.

Nervous

People often wonder why their nerves are so weak; why they get tired so easily; why they start at every slight but sudden sound; why they do not sleep naturally; why they have frequent headaches, indigestion and nervous ailments.

Dyspepsia

The explanation is simple. It is found in that impure blood which is continually feeding the nerves upon refuse instead of the elements of strength and vigor. In such condition opiate and nerve compounds simply deaden and do not cure. Hood's Sarsaparilla feeds the nerves pure, rich, red blood; gives natural sleep, perfect digestion, is the true remedy for all nervous troubles.

Hood's Sarsaparilla
